What's your daily routine like?

Every Monday, Wednesday and Thursday you will be in school from 7:45 am to 3:30 pm. Because of that

- you will have a longer lunch break where you can relax and eat lunch in the cafeteria
- you can also go to the library or do crafts in the play room
- we have a no-homework policy which means that you will do your exercises at school with additional help from your teachers
- you will learn to organise your own learning through different interdisciplinary methods

Tuesdays and Fridays are your short days (school ends at 1:10 pm) and you have the opportunity to participate in after-school activities.

Here you get the chance to show and enlarge your unique skill set (e.g. K-Pop, volleyball, strings, music, football,...)

Consultation and registration at the Grillo Gymnasium

Appointments for a consultation can be scheduled through our secretary.

You can register for our school between **22 – 26 February 2021**.

First get-together

On Thursday, 24 July 2021 5pm, you get the opportunity to meet your new classmates, your new teachers and to have a first look around the Grillo Gymnasium.
